Prepare and Prevent

20 Credit
points for
attending this
Conference

Organized by
Department of Anaesthesia
Christian Medical College
Vellore- 632004, Tamilnadu, India.

Dear Friends,

It gives us great pleasure to invite you to the 8th National Conference of Paediatric Anaesthesia 2016 (NCPA) to be held at Christian Medical College, Vellore, Tamil Nadu, India.

The Theme of the conference:

"Prepare and Prevent"

The conference will offer a series of diverse continuing education sessions and pre conference workshops in the field of paediatric anaesthesia. The program activities will be led by renowned experts and distinguished speakers. The sessions will highlight the importance of preparation and planning. The scientific sessions will not only update you on the recent developments in paediatric anaesthesia but also will highlight the importance of planning and prevention which should be our priority while managing any case.

NCPA 2016 will also include scientific exhibitions, where leading companies will display state-of-art products that have found clinical acceptance with particular relevance to the delivery of quality patient care.

We hope to have a colorful cultural programme . With your active participation we can make this a great conference!

Looking forward to seeing you in Vellore, a historical town, with several places and temples of interest located in its vicinity. You can also visit the nearby towns of Pondicherry, Mamallapuram and Yercaud.

Dr. Sajan Philip George

Organising Chairman
Professor
Department of Anaesthesiology
Christian Medical College, Vellore.

Dr. Ekta Rai

Organising secretary
Professor
Department of Anaesthesiology
